- **DEVELOP** an OD plan and strategy for your organization that can be put into practice immediately
- **MOTIVATE** and inspire your key people with techniques that will drive them to higher levels of performance
- **IMPLEMENT** change management techniques into your organization

## Why you Should Attend?

For organizations to function at optimum performance, they require constant development. Competition has never been more intense and it is increasingly difficult for organizations to stand out from the crowd. In order to gain competitive advantage, it is the work that is done on the organization that makes all the difference. It is the people that enable organizations to do what they do. So the development of people and the culture that they create is of vital significance to the way the organization functions.

This workshop will help you to develop your organization in ways that you have never before thought possible and with ideas that are new, fresh and innovative.

The presenter is a seasoned veteran in this field and can help you to make a tangible difference to your organization. Don't miss this rare chance to learn from a professional who brings you global experience and delivers practical ideas that can revolutionize your organization.
