Why you Should Attend?

This workshop gives you up-to-date perceptions into the domain of regulatory frameworks, risk management, audit and compliance, especially for those who deal with major risk areas according to Basel Committee regulatory framework.

This training course will enable the attendees to comprehend and foster their risk management, compliance and audit skills and knowledge, assimilating the fundamentals of Basel 3 so that they can carry out their related assignments and report it in a highly professional manner.

Who Should Attend?

This course is intended for managers, professionals, consultants, service providers and vendors working for Banks, Financial Organizations, Financial Groups and Financial Conglomerates that need to understand not only the new Basel III requirements, challenges and opportunities, but also the regulatory differences around the world.

This course is highly recommended for:

- ✓ Managers and Professionals involved in Basel III (decision making and implementation)
- ✓ Risk and Compliance Officers
- ✓ Auditors
- ✓ IT Professionals
- ✓ Strategic Planners
- ✓ Analysts
- ✓ Legal Counsels
- ✓ Process Owners
