Gain insights into the legal frameworks surrounding whistleblower protection at both national and international levels
Understand the rights and safeguards in place for whistleblowers

- **BUILD A COMPREHENSIVE WHISTLEBLOWER PROTECTION SYSTEM:**

Learn the key components essential for establishing an effective system, from creating a supportive culture to implementing anonymous reporting mechanisms and retaliation prevention strategies

- **CRAFT ROBUST WHISTLEBLOWER POLICIES:**

Develop clear, concise, and effective whistleblower policies aligned with legal requirements and organizational culture

- **GUIDED STEP-BY-STEP PROCESS** of implementing the whistleblower protection system, integrating it seamlessly into existing organizational structures

- **LEARN FROM BEST PRACTICES:** Analyze successful whistleblower protection programs through case studies and industry best practices. Identify challenges and explore strategies for overcoming them

Course Methodology

Client has the option to choose to participate either below method.

Online Course : *This course will be conducted via Zoom.*

Kuala Lumpur Hotel: *This course will be conducted at the hotel with the trainer on site. Participants will need to bring their own laptop. Lunch/Dinner and 2 networking breaks will also be provided.*

Why you Should Attend?

At the culmination of the training, participants will possess a holistic understanding of whistleblowing, adeptly articulating its historical and contemporary significance in upholding ethical standards within organizations.

Participants will showcase the capability to establish a comprehensive whistleblower protection system, integrating supportive cultural elements, anonymous reporting mechanisms, and strategies for retaliation prevention. Their skills will extend to crafting clear, concise, and legally aligned whistleblower policies that contribute to fostering transparent and ethical work environments. Through the analysis of successful whistleblower protection programs and industry best practices, participants will adapt insights to overcome challenges, contributing to the success of their own whistleblower protection initiatives.

Organized by:

Who Should Attend?
