Why you Should Attend?

Attending this program equips participants with essential skills and knowledge to navigate the complexities of Bills of Lading, a critical document in maritime and shipping operations.

The curriculum covers operational, financial, technological and legal aspects, ensuring participants are well-prepared to handle various challenges, including avoiding cargo claims, misdeliveries, and additional port dues, penalties and demurrage.

Who Should Attend?

This event has been specifically designed for:

Trade financiers, commodity traders and people who are involved in:

- shipping
- transport
- logistics, import/export documentation
- operations
- freight management
- traffic purchasing and materials management

Pre-requisites

This program is suitable for trade professionals of all levels to fill gaps in their knowledge and benefit them in their day-to-day operations.
